ASSIGNMENT #1

EM200 Methods of Research
Engr. Reynaldo P Ramos, PhD

Summer 2020
CED Building

VIDEO REACTION PAPER

The video is uploaded in ARAL system and also available at

<http://rsucivilengineering.weebly.com/grad-em200-methods-summer-2020.html>

Just navigate the weebly website and you will find the video at the lower portion of the website. You can watch it without leaving the weebly site, or you can view it thru youtube channel.

INTRUCTION:

Write and submit a 150 words (minimum word count) reaction paper of the video presentation entitled: How to Writing a Research Paper. It is expected that you briefly explain the important information in terms of the main considerations in writing your research paper/report (ie thesis) that were mentioned in the video. In addition, what is the basic anatomy of a research paper/report and in own understanding/reflection, briefly describe each.

Submit on or before 23.59 PM, Wednesday, 01 July 2020 thru google classroom (Class code: ddsfio2) as specified below. Point deduction for late submission.

Requirements: Only one (1) Short bond paper, 1.5 spacing, 150 words (minimum), 10-12 font size, either MSWord or PDF file. The file name should be: FIRSTNAMESURNAME_assignment#1

Please proceed to the Google Classroom (code: ddsfio2) to upload your MSword or pdf file.
