

### ASSIGNMENT #4

EM200 Methods of Research  
Engr. Reynaldo P Ramos, PhD

Summer 2020  
CED Building

### ABSTRACT CRITIQUING

#### INSTRUCTION:

1. Select or choice a thesis/dissertation available at NDLD (Networked Digital Library of Theses and Dissertations) website (<http://search.ndltd.org/index.php>) that is related to your degree/specialization or somehow related to your proposed topics. The link is also available in the weebly website. Take a screenshot of the cover page and the abstract page of the thesis/dissertation. This will be attached to your submission.
2. Evaluate the contents of the abstract based on the information included in the text (Refer to Handout about Abstract). Identify the following:
  - (a) Type (s) and classification of research used (Refer to Handout #1)
  - (b) Objectives of the study
  - (c) Methodology used
  - (d) Techniques used in data analysis
  - (e) Significant results and findings
  - (f) Contribution to the body of knowledge (with personal assessment)
3. Submit your answers thru Google Classroom on or before 23.59 PM, Friday, 10 July 2020. Point deduction for late submission.
4. Short bond paper, 1.5 spacing, 10-12 font size, either MSWord or PDF file. The file name should be: FIRSTNAMESURNAME\_assignment#4. Please proceed to the Google Classroom (code: ddsfio2) to upload your MSword or pdf file.
